*of a Resolution for*

*The opening of  
Oakland Creek*

*from High street

FILED WITH THE BOARD OF PUBLIC WORKS

*Plans ordered  
December 9th, 1901*

In the Matter of

Opening and extending Oakland Street 50 feet in width from High to Third Street in the City of Fort Wayne Indiana by Condemning lots #13, 14, 39 and 40 and the West 17 feet of lots #12, 15, 38 and 41.

To the Board of Public Works of the City of Fort Wayne, Indiana.

The undersigned remonstrates against the opening of Oakland Street as set forth in the resolution herein for the following reasons:

1st. That it will be inconvenient and dangerous to the public and serve no public purpose to open said street for said two blocks with a 7 foot offset or jog to the Westward as set forth in said resolution.

2d. That no public purpose will be subserved by such opening.

3d. That the damages caused by such benefits exceed any benefits to arise therefrom.

4th. That the only citizens of Fort Wayne who desire such opening are such of the petitioners therefor as are interested in the Lutheran Church on said Street several blocks further North to which there is by Main general Avenues a better approach at present

5th. Because the resolution does not describe either the property which may be injuriously affected or the property which may be beneficially affected by such opening.
